

## Living area

### Cleaning checklist

- ✓ Vacuum carpets and upholstery regularly
- ✓ Dust with a damp cloth or microfibre cloth
- ✓ Clean window coverings (blinds and curtains) regularly
- ✓ Clear out clutter

### Product and service checklist

- ✓ Look for furniture, window furnishings and flooring products that are easy to clean or have anti-microbial properties
- ✓ Consider leather or vinyl lounges instead of fabric
- ✓ Use a vacuum cleaner with a HEPA filter
- ✓ For hard floors like timber or tiles, use a damp or electrostatic cloth or steam mop
- ✓ Air treatment options available in the home are air purifiers, dehumidifiers, and humidifiers
- ✓ Get your air conditioner professionally cleaned on a regular basis
- ✓ Replace filters found around the home for example in air conditioners, heat pumps, and ventilation systems
- ✓ Consider using a professional carpet cleaning machine which enables a deeper clean into your carpet fibres where grit and allergens hide
